

User Manual for Integrated Supervision System (ISS) Reporting of NBFIs

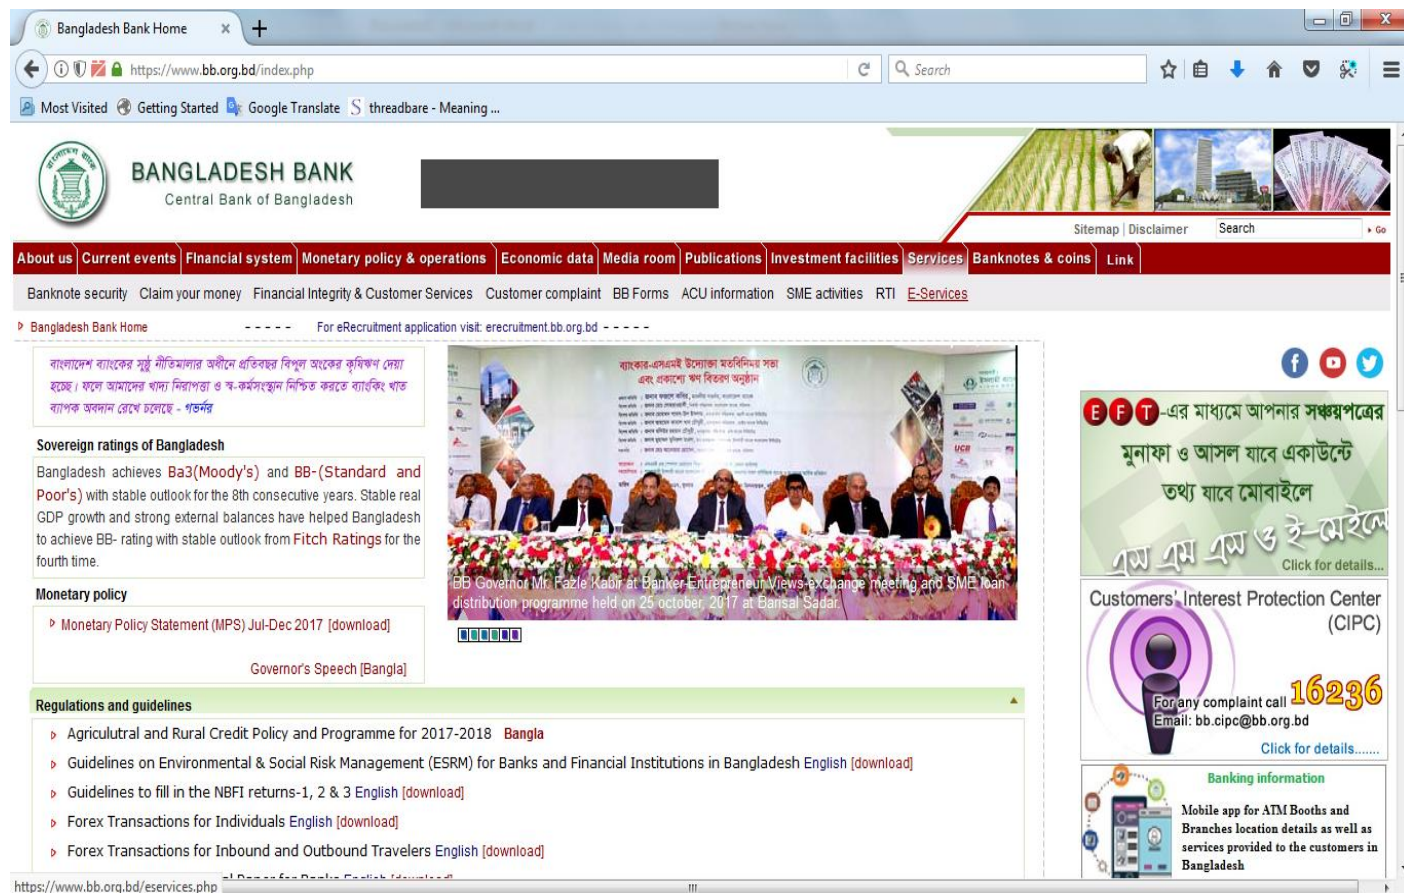

Steps to Download, Fill-up and Upload the RITs of Integrated Supervision System (ISS)

Step-1 : Log In to Web Portal of Bangladesh Bank Website

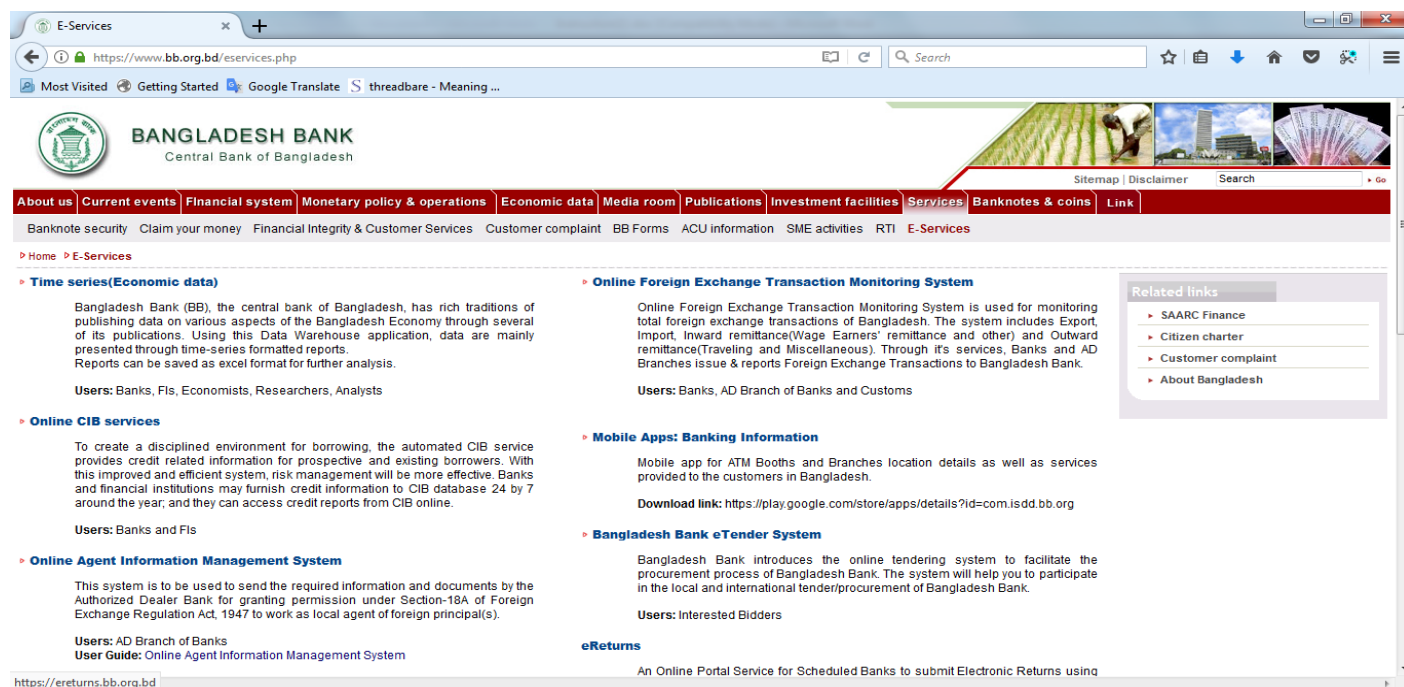

Type in address bar of the Browser : <https://www.bb.org.bd>

Click on **Services**

Click on **E-Services**

The following page will be visible :

Click on eReturns

The screenshot shows the login page of the Bangladesh Bank eReturns portal. The page has a header with 'E-Services' and 'EDW | Log in'. The main content area features the Bangladesh Bank logo and the text 'Enter User ID and Password'. There are input fields for 'User ID' and 'Password', a captcha image with the text '8s59qw', and a 'Login' button. Below the login fields are links for 'Don't Have User ID? Register' and 'Forgot Password?'. To the right, there is a 'Notice' section with three bullet points. The footer contains copyright information for Bangladesh Bank and the Information Systems Development Department (ISDD).

Step-2 : Download the Forms(RITs) from Web Portal (Website) of Bangladesh Bank

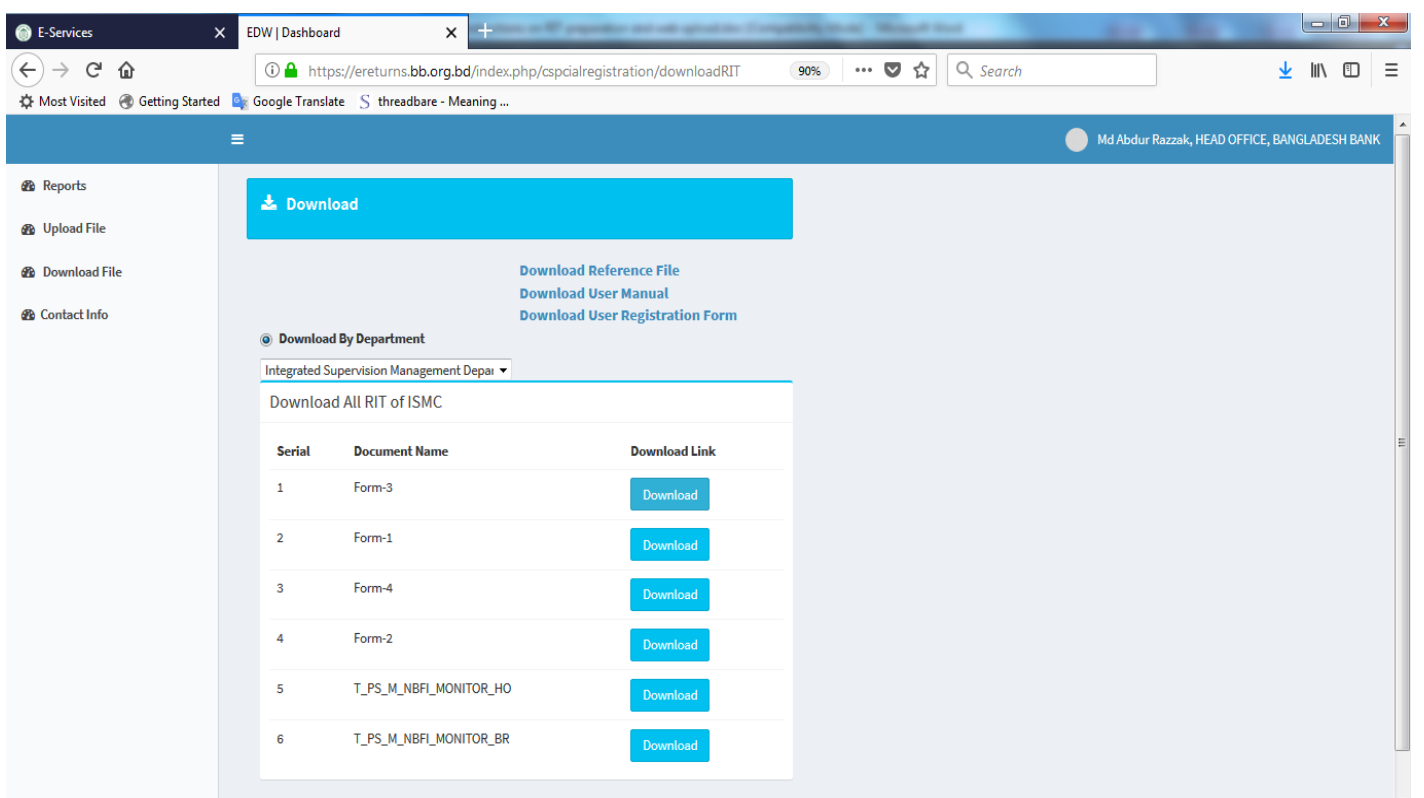

- Follow **Step-1**
- Click on **Download File**
- Click on **Download by Department**
- Select **Integrated Supervision Management Department** from the dropdown list

- Then download the following Forms (RITs) as required

For Head Office : T_PS_M_NBFI_MONITOR_HO.xlsm (**Form-5**)

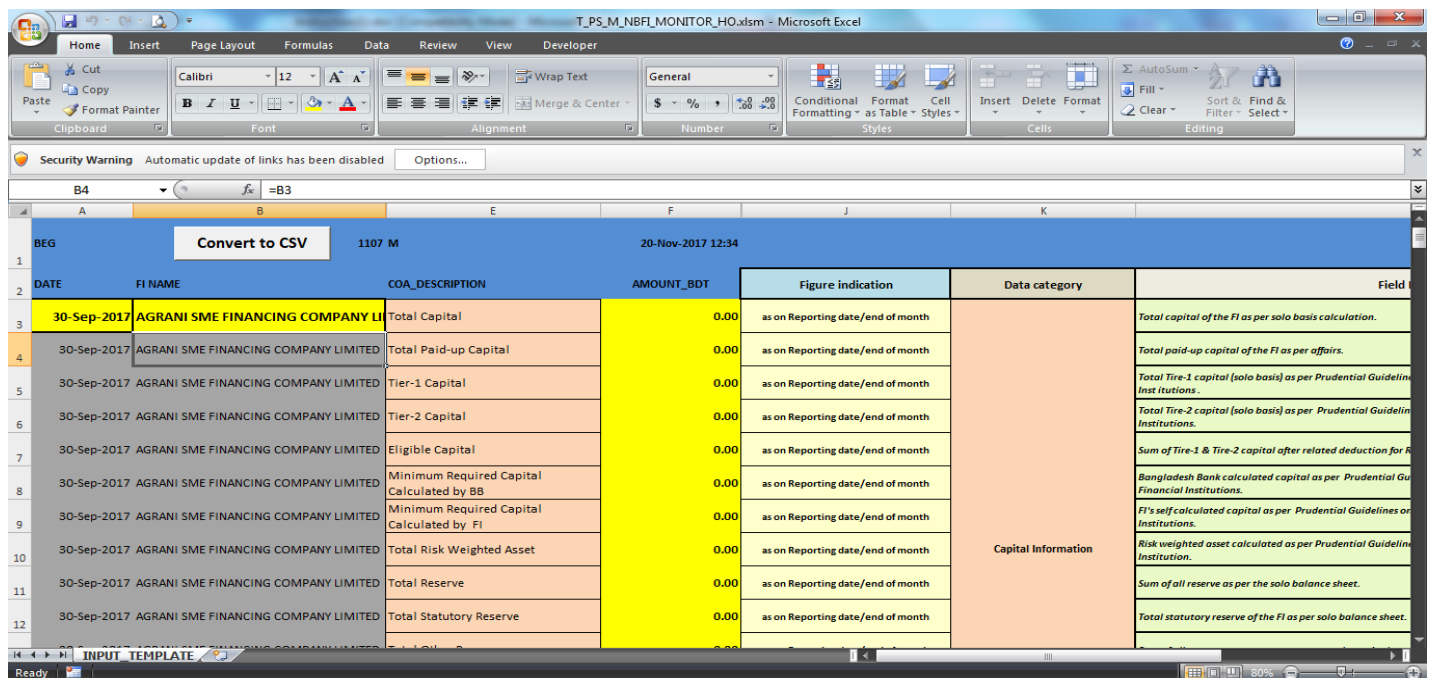

For Branch Office : T_PS_M_NBFI_MONITOR_BR.xlsm (**Form-6**)

Step-3 : Fill up the Forms(RITs) & Convert the file as CSV format

RIT of ISS – Form-5 :

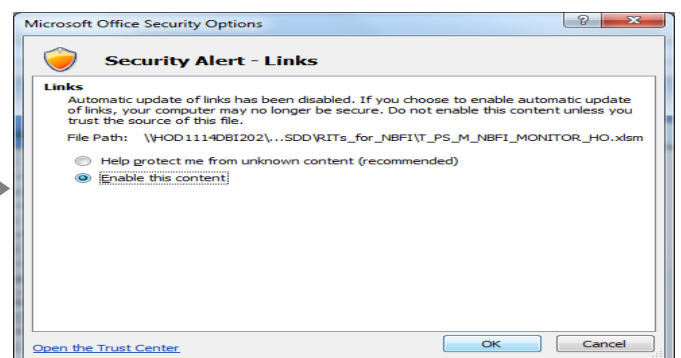

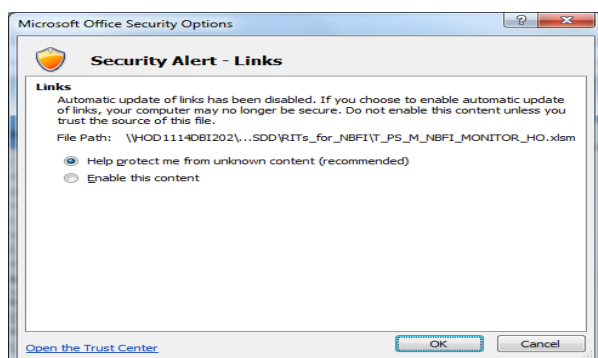

a. Open the file T_PS_M_NBFI_MONITOR_HO.xlsm

b. Click on **Options**

c. Select **Enable this content**

d. Click on **OK**

e. Then enter information for the following fields of the RIT:

DATE	End date of the Reporting Month (i.e. 31-Mar-2017, 30-Apr-2017) without considering holidays.
FI NAME	Select the name of your FI from the dropdown list.
AMOUNT_BDT	- Type only Numeric Values without comma (,). {Example : Valid data- 12345678952.00, Invalid data- 12,345,678,952.00} - Don't use any character/symbols/texts (#, \$, %, *, -, /, \, N/A, etc). - If needed two decimal points may be used for decimal part, but in general you are discouraged to type any value after decimal notation. {Example : Valid data- 12345.58, Invalid data- 12345.583} - Figures should be absolute (not converted in thousand/lacs/crore/ million/billion.....). {Example : Valid data- 123456.00, Invalid data- 1.23 lac} - For figures with %, input the full figure (11.58) not the absolute number (0.1128) & do not use "%" symbol. {Example : Valid data- 11.58, Invalid data- 0.1128 or 11.58%}

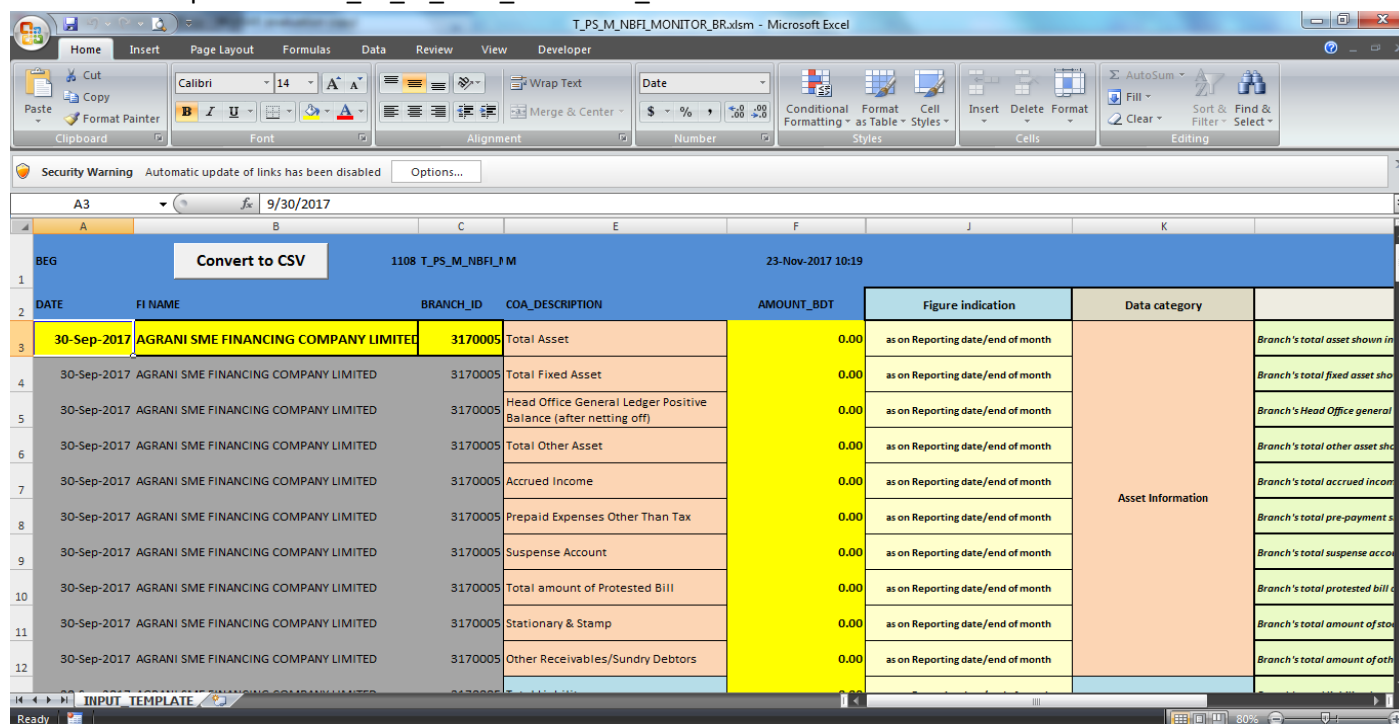

f. After completion of Fill-up the RIT, Click on the radio button shown as below :

Convert to CSV

The RIT will be converted to **CSV(Comma Delimited)** format and will be stored in the same location of the original RIT. The CSV file will have to be uploaded to Web Portal (website) of Bangladesh Bank (file upload process has been shown in **Step-4**).

RIT of ISS – Form-6 :

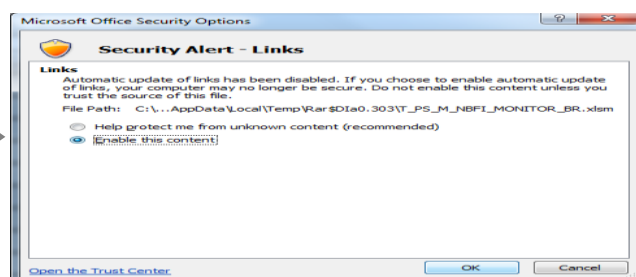

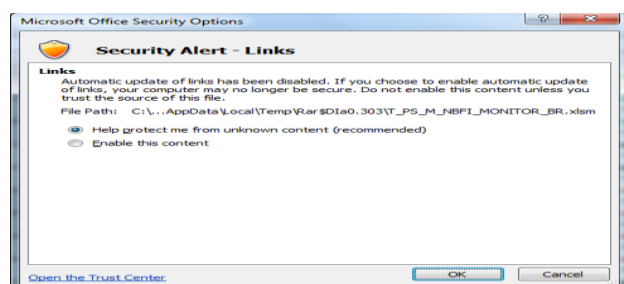

a. Open the file T_PS_M_NBFI_MONITOR_BR.xlsm

b. Click on **Options**

c. Select **Enable this content**

d. Click on **OK**

e. Then enter information for the following fields of the RIT:

DATE	End date of the Reporting Month (i.e. 31-Mar-2017, 30-Apr-2017) without considering holidays.
FI NAME	Select the name of your FI from the dropdown list.
BRANCH_ID	Input Bangladesh Bank provided ' Branch ID ' for ISS reporting of the respective branch of the FI.
AMOUNT_BDT	- Type only Numeric Values without comma (.). {Example : Valid data- 12345678952.00, Invalid data- 12,345,678,952.00} - Don't use any character/symbols/texts (#, \$, %, *, -, /, \, N/A, etc). - If needed two decimal points may be used for decimal part, but in general you are discouraged to type any value after decimal notation. {Example : Valid data- 12345.58, Invalid data- 12345.583} - Figures should be absolute (not converted in thousand/lacs/crore/ million/billion.....). {Example : Valid data- 123456.00, Invalid data- 1.23 lac}

f. After completion of Fill-up the RIT, Click on the radio button shown as below :

Convert to CSV

The RIT will be converted to **CSV(Comma Delimited)** format and will be stored in the same location of the original RIT. The CSV file will have to be uploaded to Web Portal (website) of Bangladesh Bank (file upload process has been shown in **Step-4**).

Step-4 : Upload the CSV file to Web Portal of Bangladesh Bank Website

Click on **Upload File** option on the web portal

Select **Monthly** from the dropdown list shown under **RIT Frequency**

Select **T_PS_M_NBFI_MONITOR_HO** from the dropdown list shown under **RIT Name** in case of Head Office reporting, or

Select **T_PS_M_NBFI_MONITOR_BR** from the dropdown list shown under **RIT Name** in case of Branch Office reporting

Select **Reporting Base Date (mm/dd/yyyy)** which is the end date of the Reporting Month (the date should be exactly the same as that input by the HO/BR at the time of fill-up the RIT)

Input The full name of the person who has prepared/fill-up the report just below **Prepared By**

Input The mobile number of the person whose name has been written down against **Prepared By**

Click On **Browse** button to locate the CSV file you have already prepared for uploading the same to the web portal of Bangladesh Bank.

Click On **Upload File**

Step-5 : Upload the revised CSV file to Web Portal (website) of Bangladesh Bank

In case of any revision of the already uploaded CSV file for the current reporting month, necessary amendment would have been done in the original RIT (Excel file) and then have to make a CSV file from the revised RIT. The revised CSV file may be uploaded to the web portal of Bangladesh Bank by following **Step-4**, subject to the condition that revisions must be made within the time specified in the respective circular of Bangladesh Bank.
